## TRADE MISSION OVERVIEW

The US Commercial Service is organizing a mission will introduce US firms to aerospace and defense stakeholders in the region and assist US companies in finding foreign business partners to export their products and services to Romania and Poland.

The mission will include customized one-on-one business appointments with pre-screened potential buyers, agents, distributors, and joint venture partners. It may also include meetings with government officials and industry leaders, as well as networking events.

## WHY PARTICIPATE?

Participating US firms will gain market insights, make industry contacts, solidify business strategies, and advance specific projects, with the goal of increasing US exports and services in the aerospace and defense sectors.
